

Built for Companies Managing Global Travel

Managing passports and visas across multiple employees, destinations, and timelines can be complex and time-consuming.

Swift Passport & Visa Services combines expert support with a dedicated, personalized approach and modern technology (SwiftPass) to simplify the entire process so your team can stay focused on the business, not paperwork.

Trusted by organizations including:

What We Do

We manage the full lifecycle of travel documents for your employees:

- ✔ Passport applications, renewals, and replacements
- ✔ Visa processing for 50+ countries (including China, India, Vietnam, Brazil)
- ✔ Expedited services for urgent or last-minute travel
- ✔ Proactive monitoring of document expirations
- ✔ Direct support from experienced specialists

A Smarter Way to Manage Travel Documents

SwiftPass is our secure, cloud-based platform that gives your team visibility, control, and efficiency across every travel document.

For Your Team

- Guided applications with pre-filled traveler profiles
- Seamless integration with existing software
- Real-time status tracking for every application
- Secure document storage (passports, visas, supporting files)
- Automated reminders for expirations and required actions
- Direct communication with Swift experts

For Your Organization

- Centralized dashboard for all employees and travelers
- Bulk submissions for teams, projects, or departments
- Role-based access for admins, coordinators, and executives
- Reporting on application status, timelines, and costs
- Enterprise-ready with secure SSO integration

Why Companies Trust Swift

1 Save Time

Eliminate manual tracking and repeated data entry. Everything organized, and in one place.

2 Reduce Risk

Avoid delays caused by expired or missing documents. We proactively flag issues before they impact travel.

3 Improve Visibility

Know exactly where every application stands, at any time.

4 Work with a Dedicated Partner

Dedicated, consistent support from experts who understand your team, your travel patterns, and your priorities. You work with experienced specialists who stay with your account and provide clear, reliable communication.

Making Travel Easier

*Less administrative burden. Fewer delays and last-minute disruptions.
Reduced costs from missed or delayed travel due to document issues.
More confidence in every trip.*

Built for Scale

Whether you manage:

- Executive travel
- Project-based international teams
- Frequent global travelers
- Swift supports growing teams and complex, global travel operations.

Security You Can Trust

- Encrypted data storage and secure communications
- Role-based access controls
- Enterprise SSO (Microsoft Entra ID / Azure AD)
- Continuous monitoring and backups
- SOC2 Type II Certified
